ES/NFIB

FROM: EA/ExDir

FYI: Update on recent Agency support to PFIAB.

- In what has been described as a "Herculean effort," [redacted] spent 8 April briefing Dr. Foster's task force on the technology transfer issue. (His memorandum for the record was forwarded separately.) Thirty copies of "Soviet Acquisition of Western Technology" were provided later for the Board's use.

25X1

- During Mr. Six's 7-27 April trip to the Far East, arranged for him to meet with Station personnel and some senior liaison officials [redacted] Discussions centered on Agency morale, quality of new employees, mission activities, and ways in which PFIAB could be supportive. Mr. Six is planning on visiting [redacted] in June.

25X1

25X1

25X1

- Provided the Board a copy of the unclassified assessment "National Strategies and the Global Economy."

- As an interim response to Mr. Perot's request for reporting on the Dozier case and the Libyan threats against President Reagan, provided Mr. Perot 17 DDI articles. DDI and DDO are continuing to collect DDO reporting and compiling a chronology of events for Mr. Perot. [redacted] will eventually brief him on the handling of these two incidents.

25X1

- In anticipation of Mr. Baker's looking at the [redacted] Service issue, the Executive Secretary of [redacted] briefed PFIAB staffers on 15 April.

25X1

25X1

[redacted] joined the Board's CI task force for general discussion on 16 April.

25X1

- On 16 April [redacted] DDI/SOVA, provided Vice Chairman Leo Cherne an informal briefing on the strengths and weaknesses of the Soviet economy and how this country could maximize these weaknesses.
